

IN MEMORY OF JENNIFER T. KALICKI

Jennifer T. Kalicki was a radiant, compassionate soul whose love for animals and people left an enduring mark. The Angel Fund honors her legacy by supporting survivors of domestic violence who are seeking safety with their pets.

This program was created in her memory — to extend the care, warmth, and safety she gave to others, especially when they needed it most.

WHAT IS THE ANGEL FUND PET ASSISTANCE PROGRAM?

This program offers free, confidential support to individuals fleeing domestic violence who need help caring for their pets during a time of transition.

You are not alone — and neither are your animals.

We offer financial support to help you with:

- Emergency pet boarding

- Veterinary care (exams, vaccinations)
- Transportation assistance

Please note that Alternative House cannot help find or place an animal in the care of someone. We also cannot transport pets.

WHO CAN APPLY?

- Individuals fleeing or recovering from domestic violence
- Survivors who need temporary or urgent help with pet care
- Advocates applying on behalf of a client

You do not need to be in a shelter to apply. This program is here for you — wherever you are in your journey.
